This is what we are working to achieve:

Luton Borough Council will be a high-performing, financially viable authority delivering high-quality services that improve health and opportunities for local people and protect and enable the most vulnerable.

Together with our partners, we will help make Luton a place where everyone can learn and thrive and where business can grow and prosper.

Celebrating and building on Luton’s rich history and its vibrant, cultural mix we will develop safe, strong, sustainable communities.

We will be responsive, accountable and innovative – a leader in what we do and a voice for our town.
